CONTRACTOR NAME:

**PROPOSED CHANGES:**

- a) Modify FIMS so that all records exiting the inventory are required to be archived (including leases).
- b) Add pick list to indicate the method of disposition as sale, federal transfer, public benefit conveyance, demolition, lease termination, or other.
- c) Add data field to show date disposal is complete.
- d) Add data field for disposition value. If the method of disposition is federal transfer, public benefit conveyance, demolition or other, the disposition value is defined as the RPV and can be system generated. If the disposition method is sale, the disposition value is defined as the sales price. If the disposition method is lease termination, the disposition value is defined as the Government's cost avoidance.
- e) Add data field for net proceeds. This value is only applicable for assets disposed of through sale or lease termination.
- f) Add data field for recipient. This value is applicable only for transfers to another federal agency or public benefit conveyances.

**JUSTIFICATION:** Required to comply with new FRPC reporting requirements and a required action on DOE's President's Management Agenda scorecard for real property.
